Dear Fundraisers,

We hope that all of you have remained safe over the last few months of the pandemic. These have been trying times for all of us and we are continuing to learn ways to conduct our lives as normal as possible. In talking to many of you we have learned that all of you still plan to conduct your pecan program this year as much as possible. We are all learning to shop while social distancing. I am sure your friends and organizations look forward to the pecans and Holiday baking as much as we do.

We have made a few changes to the program this year. We have added Honey Roasted Pecan Halves and Milk Chocolate Pecan Halves to our list of 1 pound bagged items. We have also removed a few of the gift tins this year. We apologize if one of them was your favorite.

The purchase prices are on the price list as usual. (This is the price you pay us.) You control your selling price. If you need more order sheets, please call us.

For those interested in the SAMPLER case of bagged nuts which enables you to try the many flavors of nuts, this case contains one pound each of the nuts listed with an “\*” beside them.

All new crop nuts should be available by the first of November. If your sales require earlier shipment, we always have fresh refrigerated nuts available for immediate shipment. Just remember, NO chocolate items can be shipped until cooler weather, usually the first of November.

We hope you have a successful fund raising program. Together we can make this season the best ever. Thank you for your continued business with our company.

**NOTE: WE DO NOT OFFER INDIVIDUAL BAGS OR MIXED CASES.**

Sincerely,  
South Georgia Pecan Co.

P. S. In order to prevent duplicate orders, if you are going to mail or fax us your order, please don't call and give us the order over the phone. Thank you!
